	<p>Scan to go to our shop.</p> <p>Below relates to descriptions seen in our online shop:</p> <p>https://my-qr-code.sumupstore.com/</p> <p>v2 – Oct 2022</p>
---	--

A - QR Code basic graphic

1 type of QR code	£29.99
2 / 3 / 4 different types of QR code	£34.99 / £39.99 / £44.99

Standard black and white QR codes designed for your organisation.

Graphic PNG files will be emailed to you, which you can include in documents you print yourself.

When you go to the online *Shopping Cart*, in the *Message for the merchant* section enter the information relevant to each type and your email id.

The types of QR Code are:

web address / email address / phone number / SMS text / WiFi code detail / your location on GMaps

For your 'QUANTITY' value, you only need '1'.

Example - '2 different types of QR code' could be web address + email address.

(Note: these do not include any branding / graphics specific to your organisation.)

B - QR Code graphics with your logo in centre

1 type of QR code	£34.99
2 / 3 / 4 different types of QR code	£39.99 / £44.99 / £49.99

Attractive, branded, colourful QR codes for your organisation.

Graphic PNG files will be emailed to you, which you can include in documents you print yourself.

When you go to the online *Shopping Cart*, in the *Message for the merchant* section enter the information relevant to each type and your email id.

We'll email asking for a copy of your organisation's graphic to go in the centre of the QR codes.

The types of QR Code are:

web address / email address / phone number / SMS text / WiFi code detail / your location on GMaps

For your 'QUANTITY' value, you only need '1'.

Example - '2 different types of QR code' could be web address + email address.

C - Laminated A4 sheet covering QR Codes

£9.99

We can laminate A4 size sheets containing your codes.

We will deliver these to you.

The number of QR Codes that can be placed in an A4 sheet would typically be between 1 and 6.

For your 'QUANTITY' value, choose the number of sheets you need.
